The finality of the previous Office action is hereby withdrawn.

All previous rejections are hereby withdrawn based on applicants' remarks and amendment.

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 14 and 16 are rejected under 35 U.S.C. 102(b) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Nakamura et al. (US 5,658,987). Nakamura et al. disclose a composition having a block copolymer with blocks of identical composition and molecular weight as two rubber "A" and "B" with which it is blended. Note "PRODUCTION EXAMPLE 3" in column 5. The block copolymer acts as a compatibilizer at column 3, lines 49-56.

Applicants' remarks are moot since all previous rejections have been withdrawn.

This Office action is not being made FINAL.
